MEMORANDUM FOR: Director, Office of Information Resources

FROM: Edward J. Maloney
                 Director, Office of Information Technology

SUBJECT: AIM SAFE Funding

1. We are requesting $240K of OIR funds to continue SAFE AIM funding through FY89. This request is the result of discussions between OIR/PMD and OIT/ESG. The funds will be used for:

        Availability of the SAFE system.

        Performance and tuning of the SAFE system.

        Analysis and resolution of discrepancy reports involving AIM and/or the use of AIM functions within SAFE.

        Issues related to capacity and completion of the transition of SAFE D1 to SAFE D3.

    2. Please direct any questions you might have on this to
